MATH TEACHER (Grades 6-12)

OPENS: Wednesday, April 25, 2018

CLOSES: Open until filled

Position Details: Wilson Creek is seeking a certificated mathematics teacher for the 2018-2019 school year. The position requires mathematics instruction to students in grades 6-12, with courses based on Common Core Standards and SBAC Standards. Of critical importance is the ability to teach individually to meet each student's specific needs, effective instruction that engages all students, and the ability to create and maintain a classroom environment that is safe to take risks, ask questions, and explore mathematics. **Applicants must hold an active Washington State Teaching Certificate in Mathematics.**

Wilson Creek is a small school district located approximately 30 miles north of Moses Lake, and 20 miles east of Ephrata. We are a small school district with an enrollment of 164 students, preschool through 12th grade. Set within a rural farming community, students come from within a 25-mile radius to attend our school. With nearly 60% choice students, our school feels very much like a private school. We routinely receive annual awards such as School of Distinction and Achievement for Academic Excellence, and are proud of decades of a 100% graduation rate. Wilson Creek provides teachers the opportunity to (1) work with small class sizes (18 or less), (2) provide individualized/targeted instruction to students, and (3) work collaboratively with a caring and welcoming student-focused, professional staff.

Reports To: Principal/Superintendent

Purpose: To plan, organize and present instruction and instructional environments that help students learn subject matter and skills that will contribute to their educational and social development. To provide instruction equitably in a small school setting with clear targets and individualized instruction, promoting growth in mathematics in a safe and positive classroom environment.

Duties and Responsibilities

- Management of Instructional Time: The teacher...
 1. has materials, supplies and equipment for each lesson ready at the start of the lesson or instructional activity;
 2. gets the class started quickly;
 3. gets students on task quickly at the beginning of each lesson;
 4. maintains a high level of student time on-task.
- Management of Student Behavior: The teacher...
 1. has established a set of rule and procedures that govern the handling of routine administrative matters;
 2. has established a set of rules and procedures that govern student verbal participation and talk during different types of activities – whole-class instruction, small group instruction, etc.
 3. has established a set of rules and procedures that govern student movement in the classroom during different types of instructional and non-instructional activities;
 4. frequently monitors the behavior of all students during whole-class, small group, and seat work activities and during transitions between instructional activities;
 5. stops inappropriate behavior promptly and consistently, yet maintains the dignity of the student.
