July 2016

Dear Parents and Guardians,

According to your child's Student Health Information Form in recent years, you have indicated he or she has dietary restrictions, food allergies or intolerances, and may need Dietary Substitution(s) at School. In order to make those accommodations and to complete this process, we need a Dietary Prescription filled out by your child's Healthcare Provider.

Enclosed you will find the Dietary Prescription Form. The form must be filled out by the Healthcare Provider and Parent/Guardian and returned to the school before the start of school to ensure your child's dietary needs are met. The form may be faxed to the school at (509)345-2288 or returned to the main office. A copy will be given to Nutrition and Dietary Services as well as the Health Office.

If you have questions, please contact the school at (509) 345-2541.

Sincerely,

Sarah Kruger RN, BSN
