February 12, 2016

Dear Principals and Counselors,

The EPHRATA SPORTSMEN'S ASSOCIATION is offering their annual scholarship to a graduating student of a Grant County High School. The scholarship will be \$600.00 this year and the applicant must be a Grant County resident. Our criteria are very straight forward. A student's application must include:

- TRANSCRIPT
- STANDARDIZED TEST SCORES
- A COMPLETED FAFSA (Free Application for Federal Student Aid)
- A Short ESSAY describing how the student's chosen course of study will benefit the student and our community
- TWO (2) LETTERS OF RECOMMENDATION

The application should be addressed to the address on our letterhead and must be submitted by May 30, 2016. The Scholarship Committee will meet in June 2016 to select a recipient and the winner will be notified no later than June 30, 2016. The completed FAFSA form must be filled out in its entirety and must include any and all attachments listed.

Proceeds from the scholarship award may be used for any tuition or books pursuant to attendance at any accredited school of higher learning and must be used by December 31, 2016. We would appreciate the courtesy of the winner attending one of our monthly meetings to inform our membership of her/his plans for the use of the money.

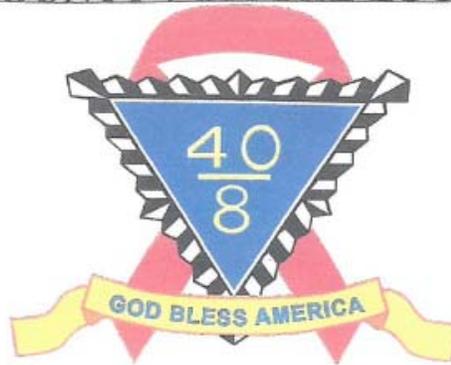

If you have questions, please contact Mr. Carter at 509-764-9082, or, via email at armed_and_safe@technologist.com.

Sincerely yours,

Erik Borg
President

Robert E. (Pops) Carter
Committee Chairman

GRANT COUNTY VOITURE LOCALE #1213

February 15, 2016

Dear High School Seniors:

Congratulations on your upcoming graduation! We are pleased that you are making plans to continue your education and hope to assist you with a scholarship through the "Dana Kelby" Scholarship fund. Money for these Scholarships are provided by Voiture #1213 of Grant County, through various fund raising activities.

Please complete the application and all items on the checklist so we can determine your eligibility for receiving funds. Applicants receive points for a variety of qualities, including work experience, school and community activities, and academic record. Your application package will also be scored based on how complete and thorough you are. It is your responsibility to see that all supporting documents are submitted.

Your application packet is due, to Kellie Ribail (in the school office) no later than 3:00 PM on Friday, May 20th, 2016.

Sincerely

A handwritten signature in black ink that reads 'Raymond Kelby'.

Raymond Kelby
Correspondent Voiture #1213

Updated Scholarship Procedures

[PDF File](#)

Affordable Colleges Online have just released updated guides to online colleges and financial aid in Washington. We are trying to ensure that the juniors and seniors have the necessary resources available when making that important decision about their higher education.

You can take a look at the resources here:

- [Guide to Online Colleges in Washington](#)
- [Financial Aid for Online Colleges](#)
- [Cost of Online Colleges](#)

I think the combination of these guides could be very valuable to your students who are considering continuing their education in Washington after high school.

Will you help us support current and prospective students by including our guides next to your other helpful transfer resources?

I hope to hear from you soon.

Best,
Ryan Kelly
Director of Communications

Students must apply online for BBCC Foundation scholarships Deadline is Feb. 19

Big Bend Community College Foundation scholarship applications for 2016-17 are available now on the college's web site at <http://www.bigbend.edu/information-center/foundation/scholarships>.

Students must apply online. They can apply for the Foundation's many scholarships using a single online application form.

The deadline for receiving completed applications by the Financial Aid Office is February 19, 2016. Only completed applications submitted by that date will be considered.

The BBCC Foundation awards approximately \$130,000 in scholarships to 120 students in an academic year.

Many of the Foundation's scholarships are "open, or general," meaning all potential and current students are welcome to apply. There are specific Foundation

scholarships for students in nursing, aviation, education, agriculture, math/science, and most professional/technical programs.

The Foundation has scholarship opportunities for 2016 high school graduates, professional/technical, transfer, returning, and part-time students.

Applicants need to check for opportunities related to their educational goals and apply for awards based on criteria provided for each scholarship.

Students need two current letters of recommendation and a copy of high school/college transcripts to apply for BBCC Foundation Scholarships.

Contact the BBCC Financial Aid Office at 793-2452 or the Foundation Office at 793-2006 for more information.

Dear FFA Advisors,

It's that time of year again. Your Seniors should have already started thinking about applying for Scholarship, especially FFA Scholarships. Evergreen Implement has again this year sponsored 4-\$2000 scholarships. There is one associated with each of our store in the Basin: Othello, Moses Lake, Coulee City, and Ritzville. These Scholarships are awarded through the National FFA Scholarship Foundation.

Applications are due no later than February 1, 2016. Applicants must be FFA members and be interested in some sort of an AG career. Chances of winning one of our Evergreen's Scholarships is great since they are awarded only to FFA students who live within the Columbia Basin.

So please encourage you students to apply.

On another subject, we currently are sponsoring one second year student and four first year students at the JDTech program at Walla Walla Community College. Not every student wants to go to four year college. This program give them the opportunity to get an AAAS degree at the top community college in the country.

I would like to take this opportunity to invite you to bring you class to our facility on Othello to hear about this program. If this is not allowable, we can bring the presentation to your school.

Our presentation includes:

- Information concerning the JDTech Program including descriptions of the classes, requirements, etc.
- Information about working at Evergreen Implement, including talks from our CEO and Department heads (if we go to your facility, these will be recorded).
- A tour of our facility in Othello (If you come to our facility_
- The opportunity to drive a Gator that is set up to be driven "hands free".

Past classes have enjoyed this information. Please consider having us make this presentation to your students this school year. If we gave the presentation to your students last year or the year before, you are still welcome to have your students participate. We have a couple of schools who do this every year.

Contact me at 509-488-522 or tdoolittle@eijjd.com

Thanks, Trudy Doolittle

Ignoring deadlines does not make them go away. This is especially true as you apply to college and fill out financial aid forms.

To find out what the financial aid deadlines at Washington four- and two-year colleges are, visit the Washington Financial Aid Association's website and scroll down to "FAFSA Priority Filing Deadlines for Washington colleges and universities" -

www.wfaa.org/docs/students/finaid_resources.html

Remember, February 1 is the priority deadline for College Bound students to file the FAFSA or WASFA – www.fafsa.gov or www.readysetgrad.org/wasfa. Remember the early bird (you) gets the worm (a good financial aid package).
