

Dear Families,

Our district has received a Tutoring Grant!

Beginning next week, on Monday, October 3rd, your child may participate in **free** after-school tutoring! This opportunity is open to all students, 2nd through 12th grade.

Two teachers will be facilitating this time, Mrs. Gaynor Edwards and Mrs. Christina Christopherson.

The following are tentative schedules for each teacher. Should a schedule change take place, the teachers will notify students beforehand.

Mrs. Christopherson:

Mondays and Wednesdays
3:10pm-3:40pm

Mrs. Edwards:

Tuesdays and Thursdays
3:10-3:40pm

Students may choose to attend tutoring as often or as little as they would like. However, students will need to arrange their own transportation as none will be provided by the district.

This program is a privilege and is meant for willing learners. School rules and expectations apply to all students.

If you would like your student to attend tutoring, please return the following.
