SUPERINTENDENT / PRINCIPAL

About the District

Our excellent administration, staff and faculty serve more than 130 students who are housed in two main buildings and two annexes. These buildings are located on a hill overlooking the town of Wilson Creek. Construction on a facility to house a new gymnasium, cafeteria/commons, and music room was completed in 1997. These buildings look as new today as when they were constructed.

Mission Statement

The mission of the Wilson Creek School District is to provide a personalized education empowering students to achieve at their maximum level. Community involvement at WCSD is high. We are a small and tight knit community, who emphasize the importance of education. Our community cares deeply for our school and remains highly involved with staff and students. The school is the hub of the community.

WILSON CREEK SCHOOL DISTRICT

Focus - Integrity - Respect - Empathy

About the Position

The Wilson Creek School District is seeking an excellent educational leader to serve as Superintendent/Principal beginning July 1, 2025.

The new superintendent/principal should be a strong, communicative, and ethical leader who understands the unique challenges of rural education, fosters a positive and collaborative school culture, and demonstrates a clear vision for student success. They should be committed to community involvement, transparency, and long-term district growth while making informed, student-centered decisions. Additionally, the leader must have a solid understanding of financial management and oversight, ensuring that the district's budget aligns with its educational priorities and maximizes resources for student success. Their ability to make fiscally responsible decisions will be crucial in supporting the district's long-term sustainability and achieving its goals.

The district offers flexibility for the Superintendent/Principal to work a 4-day week. However, candidates should understand that, based on responsibilities and district commitments, a 5-day work week may occasionally be required.

Interested candidates should complete the online application and required application materials by March 10, 2025 in order to ensure full consideration. Interviews will be held the week of March 17, 2025.
